January, 1841. Charles B. Shaw proposes to open on the 1st of March next, in this city, a Classical and Mathematical School, in which youth may be prepared for the University of Virginia, or any of the Northern Colleges, or for the profession of Civil Engineer. Mr. S. relies upon a competent Classical education, acquired at Columbia College, N. Y., and a Mathematical one at West Point, and upon the success he hopes for in the task of instruction, to secure him, utilimately, a larger patronage than he can reasonably expect at present.

The experience of many years in Engineering will enable him, in a shorter period, and a more satisfactory manner, it is hoped, than usual, to fit young men of good capacity for immediate practical usefulness in that profession, whether in the field or the office.

Parents disposed to entrust him with the education of their sons, Parents disposed to entrits from with the cancain of their sons, or young men desirous of becoming Assistant Engineers, are incited to make application to James E. Heath, E.e., or to Mr. John J. Sinton, by either of whom they can be farmished with a prospectus of the course in each branch of education.

Competent aid will be obtained in every department, wherein, room the number of pupils, or the variety of Mr. S.'s engagements, that become nerressare. may become necessary. Richmond, Feb. 11th, 1841.

MARGRAVE.—This distinguished English Stallion and Racer, and getter of Racers, will make his next season at my stable, Charlotte Court-House, Virginia. Terms—\$50 the season, payable on or before the 1st day of August next, at which time the ble on or before the 1st day of August next, at which time the scasin expires, commencing on the 16th February—One hundred dollars the insurance, to be paid as soon as the mare is ascertained to be in foal, or transferred—and in every instance \$1 to the groom. Those that find it inconvenient to make payment at the close of the season, will be required to execute their notes with good security, as I have been subjected to some difficulty in closing accounts of long standing. Good and extensive pasturage will be furnished gratis, and the mares well fed, if required, with grain, at 30 cents per day. Servants sent with mares, will be boarded gratis. CONGRESSIONAL.

The novel function imposed by Mr. Clay on the President's Executive council, has occupied it almost ex-clusively since the 4th of March. The business of confirming the Cabinet, and the few other nominations sent in by the President, has consumed only a few hours of the time of this council of Sensters. In one day after the adjournment of Congress, all the appropriate business for which the Senate was convened, as the advisory council of the new President, might have been discharged. But Mr. Clay had new work for it to do. His purpose is to clear even the smallest impedi-
